Kent's Ice Cream

Solley's Kentish Ice Cream is delicious, creamy and fresh from our farm. Our family dairy at Ripple, near Deal, has been making it since 1985, only ever using milk from our neighbour's herd of Channel Island cows, who spend their days grazing on fresh grass less than a mile away.

We are the largest and most established independent ice cream maker in Kent, supplying all kinds of outlets including farm shops and delis, theatres, restaurants, kiosks, castles, independent supermarkets and even international airlines!

Why choose Solley's?

- Kent's premier and most recognised ice cream brand
- Multi award-winning real dairy ice cream
- Major wholesaler of all Wall's and Nestlé impulse products
- 7-day-a-week delivery during summer months
- Branded freezers and strong point of sale support
- Highly competitive prices
- Impeccable customer service

We're proud to be members of the Guild of Fine Food and Produced in Kent; 85% of our base products are sourced from our home county. We are SALSA approved (Safe And Local Supplier Approval) proving our manufacturing standards are HACCP controlled.

Fresh from the farm

Product Range

Solley's Kentish Ice Cream is available in a wide variety of sizes and flavours to suit all customers.

Our 120ml tubs, perfect for the theatre, cinema or events, are available in 9 flavours.

The 500ml and 1 litre packs are ideal for sharing – you just need to provide the spoons! And finally, the 4.75 litre Napoli packs are perfectly suited to the catering trade.

Alexander's Kentish Ice Cream is made with skimmed milk, offering a quality low fat alternative to traditional dairy ice cream, very popular with milkshake outlets.

Customer Care

As well as creating a quality product we have earned a reputation for delivering outstanding customer service.
We offer an extensive range of point of sale material including branded freezers, bespoke signage, flags and parasols and we also offer targeted marketing support to all our stockists.

We placed our ice cream order on the answerphone at 10.30pm and were amazed to receive the delivery the following morning. *Sue J, (Pebbles Kiosk, Dover)*

We have worked with Solley's Ice Cream for the past four years, and through their ongoing point of sale support and investement, and their unbelievable 7-day-a-week delivery service that keeps our freezers full, we have seen our scooped ice cream sales increase year on year to record levels. Can't recommend highly enough. *Ian Goodwin (General Manager, Hever Castle)*

Just treated our grandson to his first taste of @solleysicecream vanilla. We now have a new convert in the family. Looking forward to revisiting the ice cream parlour to try the new flavours for 2018. *Gary S (Twitter 2017)*
